

2025 CPS Tree Drive

We are running our ever-popular Tree Drive again in 2025. We expect delivery in August and will notify you as soon as we have a delivery date.

Over the past several years we have been required to remove a number of our trees, and so this year we are inviting families and friends of Caledonian PS to order one (or more) Semi Advanced Capital Pear Trees from the list! These will then be planted along Water St with children to continue the same tree profile we currently have along Water St. There is a separate line on the order form if you would like to purchase a tree for school.

Ordering format for 2025 is the same as last year. Attached is the Tree Drive list of trees available and a separate order form. Please complete your tree- order on the first page and then your personal and payment details on the second page.

All orders will incur a \$4 service fee, this is to cover the cost of orders being packed individually by the nursery before delivery.

Tree orders and payment are due by Monday 19th May 2025.

Please note that in the event any trees you have ordered are not supplied you will receive a refund. These details will be collected from you when picking up your order.

Orders will be delivered to Caledonian Primary School and will be available for pick up from the multi-purpose hall at the front of the school. (Thompson Street Brown Hill)

We thank you for supporting the school with this fundraiser.

Caledonian Primary School.
